TRADEMARK SECURITY AGREEMENT

This Trademark Security Agreement (this "Agreement"), dated as of May 31, 2007 is made by and between Tatum, LLC, a Delaware limited liability company having a business location at the address set forth below next to its signature (the "Pledgor"), and Wells Fargo Bank, National Association (the "Secured Party"), acting through its Wells Fargo Business Credit operating division, and having a business location at the address set forth below next to its signature.

Recitals

The Pledgor, certain affiliates of the Pledgor (collectively with the Pledgor, the "Debtors"), and the Secured Party are parties to a Credit and Security Agreement of even date herewith (as the same may hereafter be amended, supplemented or restated from time to time, the "Credit Agreement") setting forth the terms on which the Secured Party may now or hereafter extend credit to or for the account of the Debtors.

As a condition to extending credit to or for the account of the Debtors, the Secured Party has required the execution and delivery of this Agreement by the Pledgor.

ACCORDINGLY, in consideration of the mutual covenants contained in the Loan Documents and herein, the parties hereby agree as follows:

1. Definitions. All terms defined in the Recitals hereto or in the Credit Agreement that are not otherwise defined herein shall have the meanings given to them therein. In addition, the following terms have the meanings set forth below:

"Security Interest" has the meaning given in Section 2.

"Trademarks" means all of the Pledgor's right, title and interest in and to: (i) trademarks, service marks, collective membership marks, registrations and applications for registration for each, and the respective goodwill associated with each, (ii) licenses, fees or royalties with respect to each, (iii) the right to sue for past, present and future infringement, dilution and damages therefor, (iv) and licenses thereunder, all as presently existing or hereafter arising or acquired, including, without limitation, the marks listed on Exhibit A.

2. Security Interest. The Pledgor hereby irrevocably pledges and assigns to, and grants the Secured Party a security interest (the "Security Interest") with power of sale to the extent permitted by law, in the Trademarks to secure payment of the Indebtedness. As set forth in the Credit Agreement, the Security Interest is coupled with a security interest in substantially all of the personal property of the Pledgor. This Agreement grants only the Security Interest herein described, is not intended to and does not affect any present transfer of title of any trademark registration or application and makes no assignment and grants no right to assign or perform any other action with respect to any intent to use trademark application, unless such action is permitted under 15 U.S.C. § 1060.

3. Representations, Warranties and Agreements. The Pledgor represents, warrants and agrees as follows:

(a) **Existence; Authority.** The Pledgor is a limited liability company duly organized, validly existing and in good standing under the laws of its state of organization, and this Agreement has been duly and validly authorized by all necessary corporate action on the part of the Pledgor.

(b) **Trademarks.** Exhibit A accurately lists all Trademarks owned or controlled by the Pledgor as of the date hereof and accurately reflects the existence and status of Trademarks and all applications and registrations pertaining thereto as of the date hereof; provided, however, that Exhibit A need not list common law marks (i.e., Trademarks for which there are no applications or registrations) which are not material to the Pledgor's or any Affiliate's business(es). If after the date hereof, the Pledgor owns or controls any Trademarks not listed on Exhibit A (other than common law marks which are not material to the Pledgor's or any Affiliate's business(es)), or if Exhibit A ceases to accurately reflect the existence and status of applications and registrations pertaining to the Trademarks, then the Pledgor shall promptly provide written notice to the Secured Party with a replacement Exhibit A, which upon acceptance by the Secured Party shall become part of this Agreement.

(d) **Affiliates.** As of the date hereof, no Affiliate owns, controls, or has a right to have assigned to it any items that would, if such item were owned by the Pledgor, constitute Trademarks. If after the date hereof any Affiliate owns, controls, or has a right to have assigned to it any such items, then the Pledgor shall promptly either: (i) cause such Affiliate to assign all of its rights in such item(s) to the Pledgor; or (ii) notify the Secured Party of such item(s) and cause such Affiliate to execute and deliver to the Secured Party a trademark security agreement substantially in the form of this Agreement.

(e) **Title.** The Pledgor has absolute title to each Trademark listed on Exhibit A, free and clear of all Liens except Permitted Liens. The Pledgor (i) will have, at the time the Pledgor acquires any rights in Trademarks hereafter arising, absolute title to each such Trademark free and clear of all Liens except Permitted Liens, and (ii) will keep all Trademarks free and clear of all Liens except Permitted Liens.

(f) **No Sale.** Except as permitted in the Credit Agreement, the Pledgor will not assign, transfer, encumber or otherwise dispose of the Trademarks, or any interest therein, without the Secured Party's prior written consent.

(g) **Defense.** The Pledgor will at its own expense and using commercially reasonable efforts, protect and defend the Trademarks that are material to its business against all claims or demands of all Persons other than those holding Permitted Liens.

(h) **Maintenance.** The Pledgor will at its own expense maintain the Trademarks to the extent reasonably advisable in its business including, but not limited to, filing all applications to obtain letters or trademark registrations and all affidavits,

maintenance fees, annuities, and renewals possible with respect to letters, trademark registrations and applications therefor. The Pledgor covenants that it will not abandon nor fail to pay any maintenance fee or annuity due and payable on any Trademark material to its business, nor fail to file any required affidavit or renewal in support thereof, without first providing the Secured Party: (i) sufficient written notice, of at least 30 days, to allow the Secured Party to timely pay any such maintenance fees or annuities which may become due on any Trademarks, or to file any affidavit or renewal with respect thereto, and (ii) a separate written power of attorney or other authorization to pay such maintenance fees or annuities, or to file such affidavit or renewal, should such be necessary or desirable.

(i) **Secured Party's Right to Take Action.** If the Pledgor fails to perform or observe any of its covenants or agreements set forth in this Section 3, and if such failure continues for a period of ten (10) calendar days after the Secured Party gives the Pledgor written notice thereof (or, in the case of the agreements contained in subsection (h), immediately upon the occurrence of such failure, without notice or lapse of time), or if the Pledgor notifies the Secured Party that it intends to abandon a Trademark material to its business, the Secured Party may (but need not) perform or observe such covenant or agreement or take steps to prevent such intended abandonment on behalf and in the name, place and stead of the Pledgor (or, at the Secured Party's option, in the Secured Party's own name) and may (but need not) take any and all other actions which the Secured Party may reasonably deem necessary to cure or correct such failure or prevent such intended abandonment.

(j) **Costs and Expenses.** Except to the extent that the effect of such payment would be to render any loan or forbearance of money usurious or otherwise illegal under any applicable law, the Pledgor shall pay the Secured Party on demand the amount of all moneys expended and all costs and expenses (including reasonable attorneys' fees and disbursements) actually incurred by the Secured Party in connection with or as a result of the Secured Party's taking action under subsection (i) or exercising its rights under Section 6, together with interest thereon from the date expended or incurred by the Secured Party at the Default Rate.

(k) **Power of Attorney.** To facilitate the Secured Party's taking action under subsection (i) and exercising its rights under Section 6, the Pledgor hereby irrevocably appoints (which appointment is coupled with an interest) the Secured Party, or its delegate, as the attorney-in-fact of the Pledgor with the right (but not the duty) from time to time to create, prepare, complete, execute, deliver, endorse or file, in the name and on behalf of the Pledgor, any and all instruments, documents, applications, financing statements, and other agreements and writings required to be obtained, executed, delivered or endorsed by the Pledgor under this Section 3, or, necessary for the Secured Party, after an Event of Default, to enforce or use the Trademarks or to grant or issue any exclusive or non-exclusive license under the Trademarks to any third party, or to sell, assign, transfer, pledge, encumber or otherwise transfer title in or dispose of the Trademarks to any third party. The Pledgor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. The power of attorney granted herein

shall terminate upon the termination of the Credit Agreement as provided therein and the payment and performance of all Indebtedness.

4. Pledgor's Use of the Trademarks. The Pledgor shall be permitted to control and manage the Trademarks, including the right to exclude others from making, using or selling items covered by the Trademarks and any licenses thereunder, in the same manner and with the same effect as if this Agreement had not been entered into, so long as no Event of Default occurs and remains uncured.

5. Events of Default. Each of the following occurrences shall constitute an event of default under this Agreement (herein called "Event of Default"): an Event of Default, as defined in the Credit Agreement, shall occur.

6. Remedies. Upon the occurrence of an Event of Default and at any time thereafter, the Secured Party may, at its option, take any or all of the following actions:

(a) The Secured Party may exercise any or all remedies available under the Credit Agreement.

(b) The Secured Party may sell, assign, transfer, pledge, encumber or otherwise dispose of the Trademarks.

(c) The Secured Party may enforce the Trademarks and any licenses thereunder, and if Secured Party shall commence any suit for such enforcement, the Pledgor shall, at the request of Secured Party, do any and all lawful acts and execute any and all proper documents required by Secured Party in aid of such enforcement.

7. Miscellaneous. This Agreement can be waived, modified, amended, terminated or discharged, and the Security Interest can be released, only explicitly in a writing signed by the Secured Party. A waiver signed by the Secured Party shall be effective only in the specific instance and for the specific purpose given. Mere delay or failure to act shall not preclude the exercise or enforcement of any of the Secured Party's rights or remedies. All rights and remedies of the Secured Party shall be cumulative and may be exercised singularly or concurrently, at the Secured Party's option, and the exercise or enforcement of any one such right or remedy shall neither be a condition to nor bar the exercise or enforcement of any other. All notices to be given to Pledgor under this Agreement shall be given in the manner and with the effect provided in the Credit Agreement. The Secured Party shall not be obligated to preserve any rights the Pledgor may have against prior parties, to realize on the Trademarks at all or in any particular manner or order, or to apply any cash proceeds of Trademarks in any particular order of application. This Agreement shall be binding upon and inure to the benefit of the Pledgor and the Secured Party and their respective participants, successors and assigns and shall take effect when signed by the Pledgor and delivered to the Secured Party, and the Pledgor waives notice of the Secured Party's acceptance hereof. The Secured Party may execute this Agreement if appropriate for the purpose of filing, but the failure of the Secured Party to execute this Agreement shall not affect or impair the validity or effectiveness of this Agreement. A carbon, photographic or other reproduction of this Agreement or of any financing statement signed by the

Pledgor shall have the same force and effect as the original for all purposes of a financing statement. This Agreement shall be governed by the internal law of Georgia without regard to conflicts of law provisions. If any provision or application of this Agreement is held unlawful or unenforceable in any respect, such illegality or unenforceability shall not affect other provisions or applications which can be given effect and this Agreement shall be construed as if the unlawful or unenforceable provision or application had never been contained herein or prescribed hereby. All representations and warranties contained in this Agreement shall survive the execution, delivery and performance of this Agreement and the creation and payment of the Indebtedness.

8. Arbitration.

(a) The Secured Party and the Pledgor agree, upon demand by either party, to submit to binding arbitration all claims, disputes and controversies between or among them (and their respective employees, officers, directors, attorneys, and other agents), whether in tort, contract or otherwise arising out of or relating to in any way (i) the Indebtedness and related Loan Documents which are the subject of this Agreement and its negotiation, execution, collateralization, administration, repayment, modification, extension, substitution, formation, inducement, enforcement, default or termination; or (ii) requests for additional credit.

(b) Any arbitration proceeding will (i) proceed in a location in Georgia selected by the American Arbitration Association ("AAA"); (ii) be governed by the Federal Arbitration Act (Title 9 of the United States Code), notwithstanding any conflicting choice of law provision in any of the documents between the parties; and (iii) be conducted by the AAA, or such other administrator as the parties shall mutually agree upon, in accordance with the AAA's commercial dispute resolution procedures, unless the claim or counterclaim is at least \$1,000,000.00 exclusive of claimed interest, arbitration fees and costs in which case the arbitration shall be conducted in accordance with the AAA's optional procedures for large, complex commercial disputes (the commercial dispute resolution procedures or the optional procedures for large, complex commercial disputes to be referred to, as applicable, as the "Rules"). If there is any inconsistency between the terms hereof and the Rules, the terms and procedures set forth herein shall control. Any party who fails or refuses to submit to arbitration following a demand by any other party shall bear all costs and expenses incurred by such other party in compelling arbitration of any dispute. Nothing contained herein shall be deemed to be a waiver by the Secured Party of the protections afforded to it under 12 U.S.C. §91 or any similar applicable state law or by the Pledgor of the protections afforded to it by the Bankruptcy Code.

(c) The arbitration requirement does not limit the right of the Secured Party to (i) foreclose against real or personal property collateral; (ii) exercise self-help remedies relating to collateral or proceeds of collateral such as setoff or repossession; or (iii) obtain provisional or ancillary remedies such as replevin, injunctive relief, attachment or the appointment of a receiver, before during or after the pendency of any arbitration proceeding. This exclusion does not constitute a waiver of the right or obligation of any party to submit any dispute to arbitration or reference hereunder, including those arising from the exercise of the actions detailed in sections (i), (ii) and (iii) of this paragraph.

(d) Any arbitration proceeding in which the amount in controversy is \$5,000,000.00 or less will be decided by a single arbitrator selected according to the Rules, and who shall not render an award of greater than \$5,000,000.00. Any dispute in which the amount in controversy exceeds \$5,000,000.00 shall be decided by majority vote of a panel of three arbitrators; provided, however, that all three arbitrators must actively participate in all hearings and deliberations. The arbitrator will be a neutral attorney licensed in the State of Georgia or a neutral retired judge of the state or federal judiciary of Georgia, in either case with a minimum of ten years experience in the substantive law applicable to the subject matter of the dispute to be arbitrated. The arbitrator will determine whether or not an issue is arbitratable and will give effect to the statutes of limitation in determining any claim. In any arbitration proceeding the arbitrator will decide (by documents only or with a hearing at the arbitrator's discretion) any pre-hearing motions which are similar to motions to dismiss for failure to state a claim or motions for summary adjudication. The arbitrator shall resolve all disputes in accordance with the substantive law of Georgia and may grant any remedy or relief that a court of such state could order or grant within the scope hereof and such ancillary relief as is necessary to make effective any award. The arbitrator shall also have the power to award recovery of all costs and fees, to impose sanctions and to take such other action as the arbitrator deems necessary to the same extent a judge could pursuant to the Federal Rules of Civil Procedure, the Georgia Rules of Civil Procedure or other applicable law. Judgment upon the award rendered by the arbitrator may be entered in any court having jurisdiction. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.

(e) In any arbitration proceeding discovery will be permitted in accordance with the Rules. All discovery shall be expressly limited to matters directly relevant to the dispute being arbitrated and must be completed no later than 20 days before the hearing date and within 180 days of the filing of the dispute with the AAA. Any requests for an extension of the discovery periods, or any discovery disputes, will be subject to final determination by the arbitrator upon a showing that the request for discovery is essential for the party's presentation and that no alternative means for obtaining information is available.

(f) The resolution of any dispute arising pursuant to the terms of this Agreement shall be determined by a separate arbitration proceeding and such dispute shall not be consolidated with other disputes or included in any class proceeding.

(g) The arbitrator shall award all costs and expenses of the arbitration proceeding.

(h) Notwithstanding anything herein to the contrary, no dispute shall be submitted to arbitration if the dispute concerns Indebtedness secured directly or indirectly, in whole or in part, by any real property unless (i) the holder of the mortgage, security interest or other Lien specifically elects in writing to proceed with the arbitration, or (ii) all parties to the arbitration waive any rights or benefits that might accrue to them by virtue of the single action rule statute of Georgia, thereby agreeing that all indebtedness and obligations of the parties, and all mortgages, security interests and other Liens securing such Indebtedness and obligations shall

remain fully valid and enforceable. If any such dispute is not submitted to arbitration, the dispute shall be referred to an arbitrator in accordance with O.C.G.A. § 9-9-1 et seq., and this general reference agreement is intended to be specifically enforceable in accordance with O.C.G.A. § 9-9-1 et seq. An arbitrator with the qualifications required herein shall be selected pursuant to the AAA's selection procedures. Judgment upon the decision rendered by an arbitrator shall be entered in the court in which such proceeding was commenced in accordance with O.C.G.A. § 9-9-1 et seq.

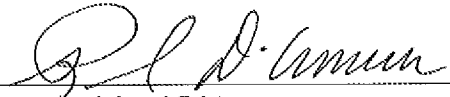

(i) To the maximum extent practicable, the AAA, the arbitrators and the parties shall take all action required to conclude any arbitration proceeding within 180 days of the filing of the dispute with the AAA. No arbitrator or other party to an arbitration proceeding may disclose the existence, content or results thereof, except for disclosures of information by a party required in the ordinary course of its business or by applicable law or regulation. If more than one agreement for arbitration by or between the parties potentially applies to a dispute, the arbitration provision most directly related to the Loan Documents or the subject matter of the dispute shall control. This arbitration provision shall survive termination, amendment or expiration of any of the Loan Documents or any relationship between the parties.
